

Application for the inclusion of a new biofuel to the list of biomass codes

The application must be submitted via the following voluntary scheme / national system:

2BS

Information about the applicant:

F001	Company name	
F002	Participant-ID	
F003	Contact person ⁱ	
F004	E-Mail of the contact person	
F005	Phone number of the contact person	

General information on the biofuel applied for:

F006	Name of the biofuel	
F007	International trade name	
F008	CN-Code of the biofuel	
F009	Specific energy content [MJ/kg]	
F010	Specific energy content [MJ/l]	
F011	Conversion factor (kWh → MJ)	
F012	Specific density [g/cm ³]	
F013	Typically occurring GHG values of the production [g CO ₂ eq/MJ]	

Information on required types of biomass:ⁱⁱ

	Biomass-Code	Production pathway	Statement
F014			
F015			
F016			
F017			
F018			

Additional documents relating to the biofuel applied for can be attached to this application form.

Place and date

Signature of the responsible person

ⁱ The person who can answer technical questions about this application should be named here.

ⁱⁱ The feedstocks that already have a biomass code for other biofuels and are likely to be required for the biofuel applied for must be named here. If necessary, a separate list can be attached.
